WANTED : WISE MAN (or WOMAN!!)

As most of you will be aware, Gordon 'clicks' the slides for the PowerPoint each Sunday he is at church. This year, we will be away from Brisbane quite a bit, mostly visiting family interstate as well as a brief overseas trip. This means that there is an opening for a volunteer Wise Man to operate the clicker in our absence. Gordon is happy to be the wise man when he is around. It could be almost month about, so it isn't a big commitment and a very simple job. Initially, we will be away all of February.

Please let Robyn, Gordon or Susan know if you'd be happy to help out.

Nooks and Crannies

Sunday 21 January 11.00am

Have you ever wanted to explore some of the church's nooks and crannies?

Do you know who designed the Saint Andrew window?

Did you know that Saint Andrew's represents the best example in the southern hemisphere - but of what?

To have these and other questions answered join the tour on Saint Andrew's on Sunday 21 January at 11.00am.

Bible Study Group

Following on from Matt Brandon's notices from about a possible midweek Bible Study group for next year, Ian and I are proposing to offer our home to host small group Bible studies for the 4 weeks leading up to Easter on a Wednesday morning (negotiable). We will use a Study on Philippians which has detailed leader and participant's notes and will be sourced by the church. Max and Beth Brand have also offered their home as hosts. If you would like to host, lead or participate in these studies, please contact Rosie in the office or contact Chris Withnall.

Another proposal, a social activity, is to meet on the first Thursday of every month from February (February 1, March 7, and April 4) at the River Room, 285 MacArthur Avenue, Hamilton for coffee between 9 am and 11 am for chat, coffee and food. If you would like to join us, the idea will be to let Rosie in the office or Chris Withnall know by the Wednesday before, so a table can be reserved.

After Easter we would evaluate both activities to see whether we want to continue them or initiate other possibilities. Watch this space!
